The big melodrama of the season is
"When Women Love," which is to be

companies playing this great success. It
has been played in New York, Boston,
Chicago, Washington, Detroit and many
other big cities. The phenomenal suc-

liam W. Lapoint, of this city, and he
is at work on two more scenic plays for

Love."

COULD HAVE HIS PLACE.

Report That W. H. Lawrence Was Forced
Out of Rutland Is Denied.

Rutland, Nov. 5.—The officials of the
Howe Scale company emphatically stat-
ed today that the claim which was made
at Montpelier this week that former Cit-
y Representative W. H. Lawrence of
Rutland had to leave town to obtain
employment because of his advocacy of
a weekly payment bill was absolutely
false. The statement was made by Fred
Bruce of Barre, the labor leader, before
a legislative committee which was con-
sidering Representative Smith's weekly
payment bill and was made in backing
the objection of the labor men to allow-
ing H. H. Powers, attorney for the Rut-
land railroad to examine the petition
of 2500 laborers for a weekly payment
bill. Bruce said that after championing
a weekly payment bill at Montpelier two
years ago at Montpelier Lawrence was
blacklisted in Rutland.

The truth of the matter is that Law-
rence was employed by the Howe Scale
company in their blacksmithing depart-
ment before he was elected Rutland's
city representative. He ran for the office
with the full consent of the company
and his position was held for him. After
the close of the legislative session and
the defeat of his bill he returned to the
Howe Scale works and resumed his for-
mer position holding it for several
months. Then receiving an offer from
a firm in New Jersey, he accepted and
moved to that state. The change was
made of his own accord.

The officers of the company stated
this morning that ex-Representative
Lawrence was one of the best black-
smiths they ever had in their employ
and they would never have discharged
him while he did work as well as he
was accustomed to. They further stated
if Lawrence should care to return to
Rutland they would probably make room
for him again. Mr. Lawrence while in
this city a few days ago called at the
office of the company for a friendly chat
with the officials but said that he was
doing so well in New Jersey that he
would probably never live in Vermont
again.

A WAY OPEN.

Many a Barre Reader Knows It Well.

There is a way open to convince the
greatest skeptic. Scores of Barre people
have made it possible. The public state-
ment of their experience is proof of the like
of which has never been produced before
in Barre. Read this case of it given by a
citizen:

Mrs. John Breggett, residence, Pleasant
Street, near Portney, says: "Doan's
Kidney Pills, sold by E. A. Drown's
drug store, did me more good than all
the other remedies for the kidneys I
ever used. For the results I obtained
I most emphatically endorse the prepa-
ration. At different times for three
or four years I suffered from acute
backache and when that was not pres-
ent there was a dull aching through
my loins and kidneys, sometimes
changing to sharp twinges, positively
proving that in some way the action
of these organs was disturbed. When
in the acute stage twinges were sure
to catch me if I stooped, and if I at-
tempted to lift anything even light I
was always rewarded with extra ag-
gravated aches. In the morning I
have often been so lame and sore
across the small of my back that I
could hardly get out of bed, and al-
though I tried remedy after remedy
advised I recovered little if any bene-
fit. A friend was so emphatic about
the merits of Doan's Kidney Pills that
I took his advice and commenced the
treatment. They helped me after a
dose or two and when I completed the
treatment of two boxes, the backache
ceased, my kidneys were thoroughly
cleansed and I was in better health
than I had been for many a long day."

For sale by all druggists. Price 50
cents a box. Foster-Milburn Co., Buf-
falo, N. Y., sole agents for the United
States.

Remember the name—Doan's—and
take no other.
